

is defined as a use or purpose that furthers the commercial, trade or profit interests of the requester or the person on whose behalf the request is made. The request also must reasonably identify the records sought.

(2) Requests from representatives of news media—Where a request seeks disclosure of records to a representative of the news media, the requester shall be charged only for the actual duplication cost of the records and only to the extent that the number of duplications exceeds 100 pages; provided, however, that the request must reasonably describe the records sought, and it must appear that the records are for use by the requester in such person's capacity as a news media representative. "Representative of the news media" refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term "news" means information that is about current events or that would be of current interest to the public. A "freelance" journalist not actually employed by a news organization shall be eligible for inclusion under this category if such person can demonstrate a solid basis for expecting publication by a news organization.

(3) Requests from educational and non-commercial scientific institutions—Where a request seeks disclosure of records to an educational or non-commercial scientific institution, the requester shall be charged only for the actual duplication cost of the records and only to the extent that the number of duplications exceeds 100 pages; provided, however, that the request must reasonably describe the records sought and it must appear that the records are to be used by the requester in furtherance of its educational or non-commercial scientific research programs. "Educational institution" refers to a preschool, a public or private elementary or secondary school, or an institution of undergraduate, graduate, professional or vocational education, which operates a program or programs of scholarly research. "Non-commercial scientific institution" refers to an institution that is not operated on a "commercial" basis, within the meaning of paragraph (d)(1) of this section and which is operated solely for the

purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(4) All other requests—Where a request seeks disclosure of records to a person or entity other than one coming within paragraphs (d) (1), (2) and (3) of this section, the requester shall be charged the full cost of search and duplication. However, the first two hours of search time and the first 100 pages of duplication shall be furnished without charge.

(e) *Aggregating of requests.* If there exists a solid basis for concluding that a requester or group of requesters has submitted a series of partial requests for disclosure of records in an attempt to evade assessment of fees, the requests may be aggregated so as to constitute a single request, with fees charged accordingly.

(f) *Unsuccessful searches.* Except as provided in paragraph (d) of this section, the cost of searching for a requested record shall be charged even if the search fails to locate such record or it is determined that the record is exempt from disclosure.

(g) *Interest.* In the event a requester fails to remit payment of fees charged for processing a request under this part within 30 days from the date such fees were billed, interest on such fees may be assessed beginning on the 31st day after the billing date, to be calculated at the rate prescribed in section 3717 of title 31, United States Code.

(h) *Advance payments.* (1) If, but only if, it is estimated or determined that processing of a request for disclosure of records will result in a charge of fees of more than \$250.00, the requester may be required to pay the fees in advance in order to obtain completion of such processing.

(2) If a requester has previously failed to make timely payment (i.e., within 30 days of billing date) of fees charged under this part, the requester may be required to pay such fees and interest accrued thereon, and to make an advance payment of the full amount of estimated fees chargeable in connection with any pending or new request, in order to obtain processing of such pending or new request.

(3) With regard to any request coming within paragraphs (h) (1) and (2) of this section, the administrative time limits set forth in §§ 503.10 and 503.11 of this part will begin to run only after the requisite fee payments have been received.

(i) *Non-payment.* In the event of non-payment of billed charges for disclosure of records, the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365), including disclosure to consumer credit reporting agencies and referral to collection agencies, may be utilized to obtain payment.

(j) *Waiver or reduction of charges.* Fees otherwise chargeable in connection with a request for disclosure of a record shall be waived or reduced where—

(1) It is determined that disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester; or

(2) It is determined that the cost of collection would be equal to or exceed the amount of such fees. No charges shall be assessed if such fees amount to \$8.00 or less.

§ 504.21 Notice of public observation.

observation of an open meeting of the Commission. However, in order to permit the Commission to determine the amount of space and number of seats which must be made available to accommodate individuals who desire to exercise the right of public observation, such individuals are requested to give notice to the Commission at least two business days before the start of the open meeting of the intention to exercise such right.

(b) Notice of intention to exercise the right of public observation may be given in writing, in person, or by telephone to the official designated in § 504.29.

(c) Individuals who have not given advance notice of intention to exercise the right of public observation will not be permitted to attend and observe the open meeting of the Commission if the available space and seating are necessary to accommodate individuals who gave advance notice of such intention.

§ 504.22 Scope of application.

The provisions of this part 504, §§ 504.20 through 504.29, apply to meetings of the Commission, and do not apply to conferences or other gatherings of employees of the Commission who meet or join with others, except at meetings of the Commission to deliberate on or conduct official agency business.

§ 504.23 Open meetings.

Every meeting of the Commission shall be open to public observation except as provided in § 504.24.

§ 504.24 Grounds for closing a meeting.

(a) Except in a case where the Commission determines otherwise, a meeting or portion of a meeting may be closed to public observation where the Commission determines that the meeting or portion of the meeting is likely to:

(1) Disclose matters that are (i) specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and (ii) in fact properly classified pursuant to such Executive order;

(2) Relate solely to the internal personnel rules and practices of the Commission;

(3) Disclose matters specifically exempted from disclosure by statute (other than 5 U.S.C. 552) provided that such statute (i) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (ii) establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Involve accusing any person of a crime, or formally censuring any person;

(6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(7) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would (i) interfere with enforcement proceedings, (ii) deprive a person of a right to a fair trial or an impartial adjudication, (iii) constitute an unwarranted invasion of personal privacy, (iv) disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source, (v) disclose investigative techniques and procedures, or (vi) endanger the life or physical safety of law enforcement personnel;

(8) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of the Commission;

action, or is not required by law to make such disclosure on its own initiative prior to taking final action on such proposal; or

(10) Specifically concern the Commission's issuance of a subpoena or the Commission's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Commission of a particular case of formal agency adjudication pursuant to the procedures in section 554 of Title 5, United States Code, or otherwise involve a determination on the record after opportunity for a hearing.

(b) If the Commission determines that the public interest would require that a meeting to be open, it may nevertheless so hold.

§ 504.25 Announcement of meetings.

(a) The Commission meets in its offices at 1111 20th Street, NW., Washington, DC, from time to time as announced by timely notice published in the FEDERAL REGISTER.

(b) At the earliest practicable time, which is estimated to be not later than eight days before the beginning of a meeting of the Commission, the Commission shall make available for public inspection in its offices, and, if requested, shall furnish by telephone or in writing, a notice of the subject matter of the meeting, except to the extent that such information is exempt from disclosure under the provisions of § 504.24.

§ 504.26 Procedures for closing of meetings.

(a) The closing of a meeting shall occur when:

(1) A majority of the membership of the Commission votes to take such action. A separate vote of the Commission members shall be taken with respect to each Commission meeting a portion or portions of which are proposed to be closed to the public pursuant to § 504.24, or with respect to any information which is proposed withheld under § 504.24. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information con-

cerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series. The vote of each Commission member participating in such vote shall be recorded and no proxies shall be allowed.

(2) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Commission close such portion to the public for any of the reasons referred to in § 504.24 (e), (f) or (g), the Commission upon request of any one of its Commission members, shall take a recorded vote, whether to close such portion of the meeting.

(b) Within one day of any vote taken, the Commission shall make publicly available a written copy of such vote reflecting the vote of each member on the question and a full written explanation of its action closing the entire or portion of the meeting together with a list of all persons expected to attend the meeting and their affiliation.

(c) The Commission shall announce the time, place and subject matter of the meeting at least 8 days before the meeting.

(d) For every closed meeting, before such meeting is closed, the Commission's Chairman shall publicly certify that, the meeting may be closed to the public, and shall state each relevant closure provision. A copy of such certification, together with a statement setting forth the time and place of the meeting, and the persons present, shall be retained by the Commission.

§ 504.27 Reconsideration of opening or closing, or rescheduling a meeting.

The time or place of a Commission meeting may be changed following the public announcement only if the Commission publicly announces such changes at the earliest practicable time. The subject matter of a meeting, or the determination of the Commission to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement only if a majority of the Commission members determines by a recorded

vote that Commission business so requires and that no earlier announcement of the changes was possible, and the Commission publicly announces such changes and the vote of each member upon such change at the earliest practicable time.

§ 504.28 Record of closed meetings, or closed portion of a meeting.

(a) The Commission shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each closed meeting or closed portion of a meeting, except that in the case of a meeting or portion of a meeting closed to the public pursuant to § 504.24 (d), (h), or (j), the Commission shall maintain either such transcript, recording, or a detailed set of minutes.

(b) Any minutes so maintained shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any rollcall vote. All documents considered in connection with any action shall be identified in the minutes.

(c) The Commission shall promptly make available to the public, in its offices, the transcript, electronic recording, or minutes, of the discussion of any item on the agenda of a closed meeting, or closed portion of a meeting, except for such item or items of discussion which the Commission de-

termines to contain information which may be withheld under § 504.24. Copies of such transcript or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription.

(d) The Commission shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each closed meeting or closed portion of a meeting for a period of two years after the date of such closed meeting or closed portion of a meeting.

(e) All actions required or permitted by this section to be undertaken by the Commission shall be by or under the authority of the Chairman of the Commission.

§ 504.29 Requests for information.

Requests to the Commission for information about the time, place, and subject matter of a meeting, whether it or any portions thereof are closed to the public, and any requests for copies of the transcript or minutes or of a transcript of an electronic recording of a closed meeting, or closed portion of a meeting, to the extent not exempt from disclosure by the provisions of § 504.24, shall be addressed to the Administrative Officer, Foreign Claims Settlement Commission, 1111 20th Street, NW., Washington, DC 20579, telephone 202/ 653-6155.
